

Workplace Diversity, Inclusion and Sensitivity Training

The movement for racial justice and equality is prompting many organizations to consider Diversity & Inclusion training for their teams. Diversity training offers organizations a new way to enhance anti-harassment and discrimination programs and policies, and reinforce the message that respect, diversity and inclusion is a priority.

EDUCATE | MOTIVATE | INFLUENCE

Traliant's **Workplace Diversity, Inclusion and Sensitivity** training is a 35-minute course that explains racial identity and racism alongside core D&I concepts while providing practical steps to help employees choose inclusive actions, improve cultural competency and address unconscious bias. As part of a comprehensive approach to behavior-based Diversity & Inclusion training, this course will train your staff how positive attitudes and behaviors can lead to a more inclusive environment.
